## State Parks and the Russia's Renova Group to Sign Final Agreement

In June of this year, Governor Arnold Schwarzenegger signed a memorandum of understanding (MOU) with the Renova Group of Companies that established a public-private partnership to support the preservation of California's Fort Ross State Historic Park.

On Thursday, Renova and California State Parks will take that action to the next step, by signing a Compact Agreement that will formalized the details of how the public-private partnership is to be implemented.

- Who:** California State Parks and the Renova Group's Fort Ross Foundation
- What:** Formal signing of Compact Agreement for how the Renova Fort Ross Foundation will assist State Parks with financial support, fund raising, program support, on-going maintenance and other projects and programs at the historic park.
- Where:** Fairmont Hotel, San Francisco – Grand Ballroom
- When:** **11 a.m. – Thursday, October 21, 2010**
- Why:** Due to budget reductions, Fort Ross State Historic Park has reduced operating hours, maintenance work and program activities. This Compact Agreement confirms how Renova will provide for financial and other types of support to raise awareness and help preserve this historical and cultural icon.
- Press:** **Space and security are tight; please call to confirm that you can attend.**
